See below for details

## Traveling North on Fordham

(After the light at Elliott Rd) Veer right onto Bypass Lane and enter the driveway which leads to the back parking lot. There are many trees that obscure Bypass Lane so please be alert.

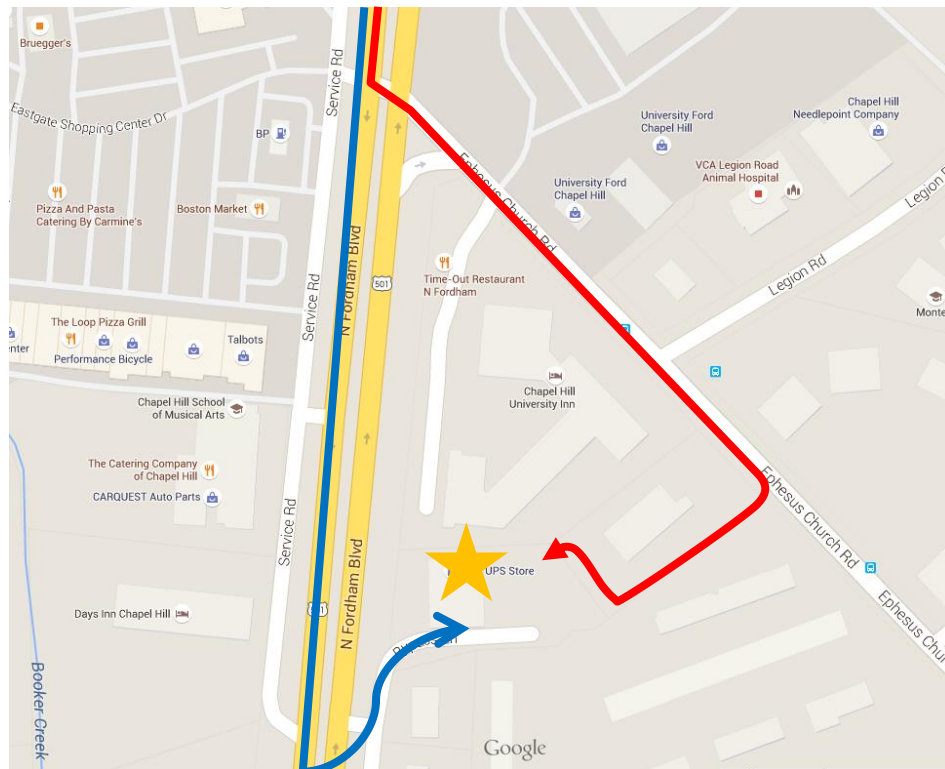

## Traveling South on Fordham

You have two options when you get to the light at East Gate shopping center/Epheus Rd:

- (1) Continue on Fordham Blvd and make a U-turn at the Elliott Rd light (immediately after the Days Inn on the left). After the change of direction take an immediate right onto Bypass Ln and follow the road to the parking lot around back. (**BLUE**)
- (2) Turn left on Epheus Church Road and cut through the apartment complex as shown in **RED**.

**Photos and details are found on the next two pages.**

### Option 1: U-Turn (Blue)

The Days Inn is directly across the street from us (on Fordham).  
It will be on your left right **before you make the U-turn.**

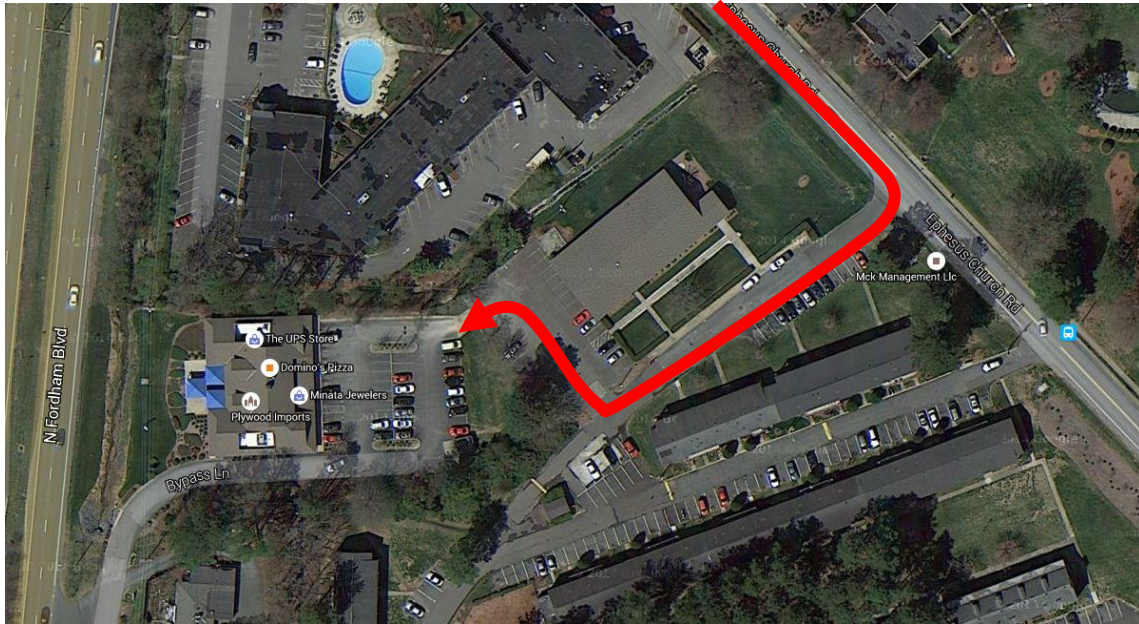

Our building and the Bypass Lane sign. You make this right turn immediately **after the U-turn.**

## Option 2: Left at Ephesus Rd (RED)

Arial view through the back parking lot.

This is where you turn right off of Ephesus Rd.

Turn right here to go toward our building.

Turn left to go into our parking lot. You can also park in the shade under the trees in the smaller lot.

## When You Get Here

There is plenty of parking in the parking lot. Our office is located between Domino's and the insurance agency. When you arrive, come on in and make yourself at home- Dr. DiNezza will be with you shortly.
